

**Jefferson County
Farmland Preservation Plan**

Town Quadrant Meetings - July 2010 Comment Form

Form completed by (select one or more):

- ☐ Town Chair or Board Member from Town of _____
- ☐ Town Plan Commission Member from Town of _____
- ☐ Entire Town Board/Town Plan Commission (circle one) from Town of _____
- ☐ Private citizen from the Town/City/ Village (circle one) of _____
- ☐ Other interested stakeholder

1. What are your key questions or concerns regarding the proposed farmland preservation program or the different Program Scenarios?

2. What, if any, additional information do you need to make an informed decision about the direction the County should take with its farmland preservation program?

3. Which of the four farmland preservation Program Scenarios do you initially prefer?
- ☐ Program Scenario A: Maintain Same Jefferson County Farmland Preservation Program (do not participate in State's Working Lands Program)
 - ☐ Program Scenario B: Use Rezoning as Main Approach for Limited Housing, but Updated Program to Meet State's Working Lands Law
 - ☐ Program Scenario C: Use Conditional Use Permits as Main Approach for Limited Housing as Allowed by State's Working Lands Law
 - ☐ Program Scenario D: Adopt the State's Model CUP Approach Under the Working Lands Law with Minor Adjustments

Why did you select the Program Scenario that you selected?

What if any adjustments to your initially preferred Scenario ought to be considered?

4. What additional details or issues should be incorporated into the updated farmland preservation plan and/or ordinance?

Thank you for your input!
